CILYBEBYLL COMMUNITY COUNCIL

Application for Financial Assistance

Policy Note – The Council's preference is to support grant applications which have a particular impact within or benefit for the communities of Cilybebyll – Alltwen, Cilybebyll, Fforestgoch, Gellinudd, Rhos, and surrounding areas. This does not preclude applications from organizations based outside the area, but it is important for them to consider the impact and benefits that a grant would bring to the Cilybebyll Community Council area. The Council is unable to make grants to individuals.
