1 DECLARATIONS OF INTEREST

There were no declarations of interest.

2 REPRESENTATIONS FROM MEMBERS OF THE PUBLIC

There were no Members of the Public in attendance.

PCSO's were not available to attend. Cllr N Jenkins reported that the Chief of Police had been to speak to NPTCBC and reported that they are losing PCSOs and not replacing them. Each PCSO now covers a larger area. Members were concerned by this. Cllr A Melen asked if more regular reports could be provided by the Police. Chair stated that the visibility of Police and PCSOs is not common these days in the area. There have been youngsters hanging around in the parks in the evening but no PCSOs to keep an eye on everything. RESOLVED that Clerk ask Police for more regular reports.

It was reported that there had been lots of complaints regarding dog fouling in the area. It was suggested that the dog warden be contacted to carry out a visit. It was reported that there are lots of dogs in Alltwen who roam without their owners. This causes a problem with fouling. Cllr D Jones stated that there aren't loose dogs in Rhos but there is still a lot of dog mess in Delffordd. He suggested that a mobile camera from NPTCBC visit the area. Cllr B Woolford stated that lots of people bag the waste and then dump the bag. Members were baffled by this. It was reported that some dogs are let out to foul on Rhos Playing Fields, this is not acceptable. It is hoped that the new CCTV cameras will pick this up. RESOLVED noted.

Cllr A Melen reported that the swing in Brynmorgrug is broken. Clerk reported that she had already informed Handyperson regarding this matter. RESOLVED noted.

The meeting ended at 7:00pm.
